FICA® satisfies the FDIC's requirements for agency pass-through deposit insurance coverage. Program banks in the FICA® network are FDIC-insured "banks" and "savings associations" as those terms are defined in the Federal Deposit Insurance Act. The FDIC Limit is \$250,000 per depositor per bank. The NCUA operates the National Credit Union Share Insurance Fund (NCUSIF) to protect accounts at federally insured credit unions up to \$250,000.

1 FICA® is not a member of The Federal Deposit Insurance Corporation (FDIC) or National Credit Union Administration (NCUA), but the depository banks where your money is placed are FDIC and NCUA members. FDIC and NCUA are independent agencies of the U.S. government that protects the funds depositors place in FDIC and NCUA insured institutions. FDIC and NCUA deposit insurance is backed by the full faith and credit of the U.S. government.

2 Balances held in your Custody Account may not receive FDIC and NCUA insurance. If you have any cash at any depository institution that is in the FICA® network then you may not receive full FDIC or NCUA insurance coverage on your deposits at those institutions. Funds may be submitted for placement only after a depositor enters into a FICA® agreement. The agreement contains important

information and conditions regarding the placement of funds.

3 Liquidity is on a next business day basis. Same day purchase credit and next day liquidity redemptions are subject to a 3:00PM ET cut-off. Please read the FICA® Program Terms and Conditions for more complete information and the governing terms of the account (including liquidity, terms, etc.). This can be found at www.ficaaccount.com.
